

## Camels are made for Men who Think for Themselves

Such folks know real quality—and DEMAND it.

They prefer Camels because Camels give them the smoothest, mellowest smoke they can buy—because they love the mild, rich flavor of choicest tobaccos, perfectly blended—and because Camels leave NO CIGARETTE AFTERTASTE.

Like every man who does his own thinking, you want fine tobacco in your cigarettes. You'll find it in Camels.

And, mind you, no flashy package just for show. No extra wrappers! No costly frills! These things don't improve the smoke any more than premiums or coupons.

But QUALITY! Listen! That's CAMELS!

### ALONG LIFE'S DETOUR

By SAM HILL

#### HIGH IS RIGHT

"The tell me the Symthes have gotten to be some high livers," remarked Bolt.

"I'll say they have," replied Nutt, "they have built a bungalow on the top of a twenty-story skyscraper."

#### IF IT FITS—

Some men do not need a home garden to raise hell in; all they need is the home.

The modern girl does not desire to be supported in the way she has been accustomed to. She prefers a man who can give her a lot more than Dad ever could afford.

It not only is hard to keep a girl in clothes these days, but it is even harder to keep her in them.

We guess more communities are shocked by the daringly dressed women in their midst than are shocked by the "live wires" of the town.

If you would be wise keep your ears open and your mouth shut. You not only will keep out of heaps of trouble.

The old-fashioned woman whose ideas of doing fancy work was crocheting or making Batenburg now has a daughter whose fancy work is all done with lipsticks and rouge.
